

94000 SERIES

Right Pedestal Desk

List Price: \$1824

Dimensions: 30.0"D × 66.0"W × 29.5"H

Model Number: H94283R

Bring 18th-century classic design and 21st-century sturdy performance to your office with this 66"W right desk. Combine it with a left return to create an elegant and durable executive workstation.

Overview

9400 Series Right Pedestal Desk

9400 Series laminate desks from HON combines 18th Century design with 21st Century performance.

Classic details include decorative moldings, brass handles, and plinth bases. A range of components allow desk-credenza, L- and U-shaped workstations. Scratch-, stain- and spill-resistant laminate means modern-day durability and easy maintenance.

- Features the elegance and beauty of traditional design, with the durability and value of laminate
- Beautifully detailed design features many traditional references
- Includes one box drawer for supplies, and one file drawer for documents
- Two 3" diameter worksurface grommets for easy cord management
- Optimizes usable worksurface area in less floorspace
- The formal, full-height modesty panel provides privacy below the worksurface
- Graceful antique-finish brass drawer handles
- File drawers have built-in hangrails to accept hanging file folders
- Drawer fronts can be leveled individually for alignment
- Metal-to-metal fastening system for precise fit and unsurpassed durability
- Contract-grade, multi-ply laminate stands up to scratches, spills, stains and boiling liquids

- Durable inner-frame construction stands up to the stress of frequent moving and relocation
- Levelling glides compensate for uneven floors
- Can be used freestanding
