## HOUSEKEEPING STANDARDS POLICY

Properties owned by the River Rouge Housing Commission (hereinafter referred to as PHA) will be maintained pursuant to HUD standards, the ACOP, and lease. In an effort to improve the livability and conditions of units owned and managed by the PHA, the PHA has developed uniformed housekeeping standards for all resident families.

### A. Applicability

The PHA's housekeeping standards will be applied fairly and uniformly to all resident families.

### B. PHA Responsibilities

The PHA will inspect each unit at least annually, to determine compliance with the standards.

1. Upon completion of an inspection the PHA will notify the resident in writing if he/she fails to comply with the standards.
2. The PHA will advise the resident of the specific correction(s) required to establish compliance and indicate that housekeeping standards training is available.
3. Within a reasonable period of time, the PHA will schedule a second inspection.
4. Failure of a second inspection will constitute a violation of the lease terms.

2. The PHA will not conduct any inspections for housekeeping standards until the resident family has completed the housekeeping standards training or has provided their written decision to opt out of the housekeeping training.
3. After participation in the housekeeping standards training or if the resident family decides not to participate in housekeeping standards training, if the resident family is found to be in noncompliance with any housekeeping standards on any two (2) housekeeping standards inspections, regardless of when the violations occurred, the noncompliance with the housekeeping standards will constitute a violation of the lease terms and the resident family may be evicted.
